To Whom It May Concern:

College Place Middle School has designated the month of November as the "Month of Giving". The Month of Giving was organized by our Associated Student Body officers and Torch Council (the student leadership teams of the school). During the Month of Giving our school will be putting together holiday baskets for families in need. These baskets will be filled with food, clothes, and presents for each person in the family.

Last year the number of families we supported far exceeded previous years. We sponsored fifteen families and with all of our efforts we have raised almost 2,000 dollars. The student body and staff brought in 7,246 cans and non-perishable food items. The final contributor to the money raised was donations of gifts and money from local businesses, community, staff, and students. This year we have more families in need. To help all these families we would like the Month of Giving to be bigger and better than ever, but that will require help from everyone.

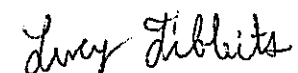

There are many ways you can help; donate gifts or money, bring in canned food, helping with the delivery of baskets, or helping wrap presents. Our school will be going to grocery stores to collect food, leading a canned food drive at our school, and asking members of our community, and local businesses to sponsor these families for the holiday season. We are hoping your business would be interested in helping with our efforts. We are requesting donations of money, gifts, gift cards, food, and/or sponsorship of one or more families. Donations need to be received by Wednesday December 12, 2007. For your accounting purposes or tax ID number is 91-6001871. Please let us know if you can help. Feel free to contact Amy Claiborne by email claibornea@edmonds.wednet.edu or by phone at (425) 431-4218 with any additional questions. Thank you for your time and consideration.

Sincerely,
