

Advanced Level 18 LESSON

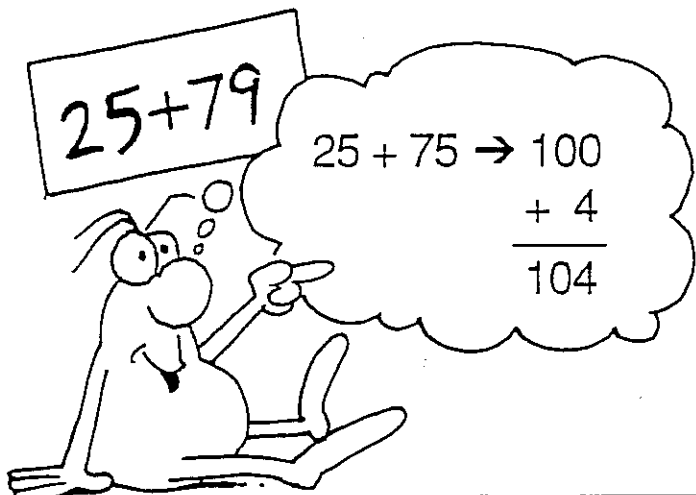

LESSON 18

MAKE-YOUR-OWN COMPATIBLES

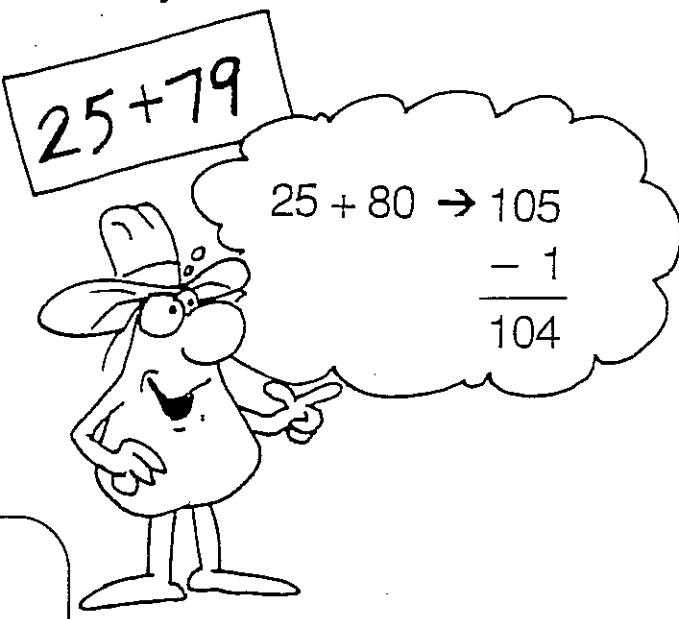

Look for compatible numbers.
If they aren't there . . . make your own!

You can do it by
breaking up one number . . .

Or you can round up,
then adjust the total.

TRY THESE IN YOUR HEAD.
Make your own compatible pairs.

- | | | | |
|----|-----------|-----|------------|
| | $25 + 3$ | | |
| 1. | $75 + 28$ | 3. | $47 + 150$ |
| 2. | $25 + 29$ | 4. | $25 + 79$ |
| | | 5. | $175 + 22$ |
| | | 6. | $226 + 75$ |
| | | 7. | $148 + 50$ |
| | | 8. | $350 + 72$ |
| | | 9. | $328 + 25$ |
| | | 10. | $235 + 17$ |
