Special instructions for this field trip:

Dear Epi Center Students and Families,

My name is Shereen and for my sixth grade passion project I have chosen to share my love of ice skating. As part of my project I would like to arrange for a field trip to Highland Ice arena so that my classmates can try ice skating for themselves. We would be going to the ice arena on June 9<sup>th</sup> at 10:00 am and return at 11:45am. We will ride a district buss and need about 8 chaperones. Highland Ice arena asks that skaters wear long socks so that the skates will fit better and not rub on their skin. Also long pants and gloves will be more comfortable. The ice arena does not require helmets but leaves it up to each person to bring what they need to feel safe on the ice. If you have your own skates it is ok to use them instead of rental ones. Thank you for joining me on the ice, I hope you all can come.

Sincerely,

Shereen Keshvadian
